Nature of Business : Civil Engineering , Building Contractors & Fencing.

Company Overview

Solomon Ntuli & Associates was formed in 2001 servicing the Building & Civil Engineering industries in South Africa, with CIDB ratings of 7 GBPE & CE 6PE. Solomon Ntuli Associates prides itself on meeting modern-day construction challenges and ensuring the successful completion of complex projects. We promise to deliver the highest quality of workmanship and client satisfaction - both imperatives of the Solomon Ntuli Associates philosophy. We are a 100% black owned company.

The company strives to conduct its business fairly and honestly and with consideration of long-term needs of all stakeholders that is clients, employees, subcontractors, suppliers and services providers.

Solomon Ntuli prides itself on meeting modern-day construction challenges and ensuring the successful completion of complex projects. We promise to deliver the highest quality of workmanship and client satisfaction both imperatives to the Solomon Ntuli Construction philosophy

OUR CREDENTIALS

- Construction Industry Development Board (CIDB) ratings of 7 GB PE 6CEPE 2SQ
- NHBRC 3143
- MBA North 6900
- CIDB 115454
- BBBBEE level 1

We are dedicated to promoting BEE across all levels of our organization. It is one of our founding values and part of our ethos. Solomon Ntuli & Associates recognizes affirmative action as an integral part of its business. We strive to ensure that Solomon Ntuli & Associates is a good corporate citizen through our corporate social and enterprise development initiatives, as well as complying with all legislations. Skills development and training is crucial in ensuring the education of all our staff. Mentorship programs are on offer to ensure that previously disadvantaged individuals obtain the guidance needed for career advancement.

All our contracts are now managed using the Quality Management System, in South Africa as well as our cross-border contracts. The health and safety of our workforce and staff is of the utmost importance to Solomon Ntuli & Associates and therefore every effort is being made to ensure a safe working environment at all times. We believe that nothing is too urgent that it cannot be done safely.

We ensure that the highest standards of Health and Safety are being upheld on all our construction sites.

PARTNERSHIP

Solomon Ntuli & Associates subscribe to the principle of creating sustainable partnerships with all stake holders on all our projects. This approach promotes commonality of goals, improves communication and eliminates adversarial syndromes.

BBBEE

We are committed to transformation and ensures that BEE is considered at every level of the organisation and business activities. Solomon Ntuli & Associates will not compromise on quality.

QUALITY

Our mission is to achieve and maintain the highest level of Safety, Health and Environmental control in all areas of the company's operations. Innovative training and education programs allow us to provide our employees and sub- contractors with the tools they need to increase safety and reduce the risk on every project we manage. Our quality assurance procedures are comprehensive and fully enforced in terms of our ISO 9001: procedures

SAFETY HEALTH & ENVIRONMENT

Our greatest asset is our people. We remain true to our founding values of quality, commitment hard-work and integrity in all our projects. We believe that all stakeholders are critical to the success of Solomon Ntuli & Associates and that good relationships are maintained throughout.

OUR PEOPLE

Solomon Ntuli & Associates places great emphasis on acquiring and retaining highly-skilled and competent staff. We are an equal opportunity employer where no discrimination is made because of race, gender or creed. We are committed to a policy of affirmative action whereby the company is charged with the responsibility of uplifting the previously disadvantaged people from our society.
